NAIDOC Celebration

Watch our movie

<https://www.magisto.com/video/NAMdKwJVEGoiWgZpYw?l=vsm&o=w&c=c>

Panania North celebrated NAIDOC week in partnership with our community this week.

Muggera led a journey of fun and discovery

with students and staff participating in workshops that included:

- Smoking Ceremony
- Welcome Song & Dance Performance
- Didgeridoo Performance
- Artefacts, Weaponry, Bush Survival
- Aboriginal Song and Dance Workshop
- Aboriginal Art (On Canvas)
- Boomerang Throwing
- Farewell Concert with Student and Teacher Participation

What's Coming Up

Week 1 Term 3

Monday 17 July

- Staff return (Development Day)

Tuesday 18 July

- Students return

Wednesday 19 July

- Cares – Yr 4

Friday 21 July

- PSSA Round 6

Week 2

Tuesday 25 July

- Athletics Carnival

Wednesday 26 July

- K-6 Assembly (No Performance)

Friday 28 July

- Tri Skills Gymnastics K-2
- PSSA Round 7

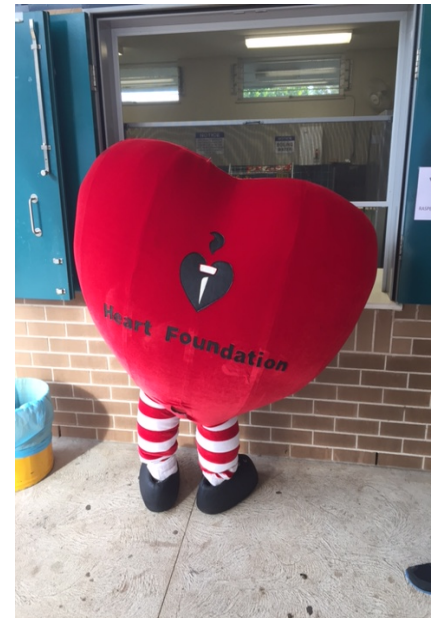

Jump Rope for Heart

Happy Heart visited Panania North PS for our Jump Rope for Heart Jump-Off Day. We had lots of fun participating in skipping activities, finishing the morning with juicy oranges.

Please get busy collecting your sponsorship money over the holidays. There will be a lucky dip for some Heart Foundation prizes for all forms and money handed in by the end of Week 1 Term 3.

Congratulations to all Panania North students who represented East Hills at the **SSW Regional Carnival**. Our team performed well on the day and two of our students, Dylan T and Sidhant T, were successful in gaining places in the SSW Regional Team, that will compete at the State Carnival. What a wonderful effort! We wish them every success in this upcoming event.

Music

Students at Panania North have been very busy learning about the different elements in music. We are learning to play different percussion instruments and musical notes on our xylophones. We have been very fortunate to have Mrs Willson come in to help, and play her cello for us!

SRC Chess Project

Premier's Reading Challenge

Keep reading over the holidays. Year 3 to 6 can enter theirs online via their student portal (K-2 do not need to do this). Local libraries often have events happening too.

Celebrating Literacy – BUMP IT UP
2/3TR Writing a summary

The Egg Summary

The main character is George who is a boy that lives on a farm with his mother and he is a smart, brave boy who loves reading.

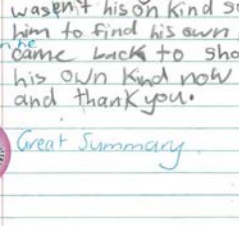

George wanted to see what was in the giant golden shiny egg so he brought it to his warm bed so it can hatch and he sat on it to protect it while he was reading.

Then the giant golden shiny egg hatched and it was a dragon egg after all and the dragon started to think George was his mother even though he is not a dragon.

So George had to do the motherly duty so he taught the dragon how to fly, breath out fire, distress a damsel and how to sluff a knight.

But the dragon found out that George wasn't his own kind so the dragon left him to find his own kind for a week and then he came back to show George he's with his own kind now and to say goodbye and thank you.

Great Summary

Arielle

The egg summary

George is a boy who lives with his mother. He is a nice boy and he likes to read. He found an egg under his mother's favourite chair.

George was waiting for the egg to hatch to see what was inside the hatched golden egg.

The egg hatched into a dragon. The dragon didn't have any kind so George decided to look after the dragon. George taught the dragon how to breath fire, distress a damsel and sluff a knight.

The dragon flew away while George was sleeping & find his family. Because the dragon didn't know that George was not his kind.

George wondered for the dragon was. One night the dragon came back and took George to his family. He was with his own kind. George kept coming back to see the dragon so they would never be alone.

love it!

Ayrlie

The Egg Summary

The main character is George. He is a very nice boy and like to read. George lives on a farm with his mother.

George found his mother's favourite children with an egg under it so George took it to his room.

The egg hatched and inside of it was a green, scaly dragon.

George taught the dragon to fly, breath fire, distress a damsel and sluff a knight.

The dragon left the farm for a week and came back to George on the farm. The dragon took George to his cave where all of the dragons were, then he took George back home.

Great Summary

Amelie

The Egg Summary

George is a boy who loves reading, he is a little bit curious and he lives on a farm.

One day he found more than he was hoping to find. He wanted to see what was inside the egg and he also wanted to take care of the egg so that it could hatch.

But George saw it wasn't a chicken it was a dragon and he had to be a mother and do his motherly duty and had to teach him to fly, breath out fire, distress a damsel and sluff a knight. But one day the dragon was gone and George never thought that he was going to see him again.

So seven night's later the dragon came back and George got taken up by the beating of some wings. George jumped out of bed, pulled his curtains back and he climbed out of his window and ran excitedly on his back. The dragon took George to the dragon home to say that he is okay now he has found his own kind. When George got home the dragon said 'Thank you for taking care of me.'

Then the dragon goes back home and George will never forget his fabulous summary.

Education Week

Keep The Date Free – Wednesday 2 August from 12.30pm

This year's theme is 'I learn, we learn', celebrating personalised student learning as the foundation of public education in NSW. At Panania North we'll be showcasing the products of our students' learning in classrooms.

It is a celebration of our schools' commitment to ensuring:

System-wide improvement

Every student, every teacher, every leader and every school will improve every year.

High expectations for all

A culture of high expectations for our students and our educators sets high standards, which leads to high achievement.

Personalised student learning

By teaching to the strengths and needs of each individual, students will be better able to reach and exceed their potential.

Wellbeing

Every student will be known, cared for and respected.

Creating stronger ties with local communities

Parents and carers are our schools' partners in the education and wellbeing of each student. Partnerships with local businesses and industry create opportunities for our students to contribute to and thrive in society.

Further information about our day of celebration and showcasing of students work will be published early next term.

P&C News

Keep up to date with all the latest on P&C events, meetings and ideas by following us on Facebook at: <https://www.facebook.com/pnpspc>. Feel free to send through any suggestions, ideas or comments to us via that page or via email to pnpspc@gmail.com or pananianthuniform@gmail.com

Bankstown Sports Club Movie Night

Thank you to all who attended our first Movie Night at Bankstown Sports Club. It was an enjoyable evening and the kids had a lot of fun. We really appreciate your support. It is great to see local Clubs providing fundraising opportunities for local schools. Check out the Club's fun School Holiday activities - <https://www.bankstownsports.com/school-holiday-fun>

You are invited to take part in a unique program called **Reading for Life** that will be running at Panania North Public School in Term 3, 2017. Reading for Life sees a group of volunteers visiting the school each week to assist children in years 2 to 4 with their reading skills and confidence. The program has been operating across Australia and New Zealand since 2003 with great results in terms of skill enhancement as well as volunteer enjoyment!

The objectives of the program are:

1. To make a positive impact on the children's reading skills, confidence and motivation.
2. To add value to the participating schools.
3. To ensure that volunteers who participate have a worthwhile and satisfying experience.

We are looking for volunteers who have an adequate level of literacy and communication skills and can make the time commitment to the program.

What is the time commitment?

Firstly, volunteers will be asked to complete an intake form (available at school office or from Learning Support room) and obtain a Working with Children Check. When these are complete the following attendance is required:

- Complete a three-hour training session with Learning Links at Panania North Public School (Term 2 Week 10)
- Attend Panania North Public School for an orientation session before starting
- Attend Panania North Public School to complete a 45-minute session each week over 15 weeks to meet individually with their reading buddy (starting Term 3 Week 2)
- Attend a celebration party for the children at the end of the program
- Complete an evaluation survey at the end of the program

As Reading for Life coordinator I would be more than happy to answer any questions via telephone or email.

Kind regards,

Jennifer O'Leary

Health Alert

We have had a few cases of Conjunctivitis and Chickenpox within our school. Please read through the information below and consult a doctor if you seek further assistance.

Conjunctivitis

- Conjunctivitis is a common eye infection, especially among children under five. It is an inflammation (swelling and redness) of the conjunctiva which is the clear membrane that covers the white part of the eye and the inner surface of the eyelids.

Conjunctivitis can be caused by an infection (virus or bacteria) which is highly contagious, or by an allergic reaction which is not contagious.

You could develop conjunctivitis if you come into contact with:

- Discharge from the eyes, nose or throat of an infected person through touch, coughing or sneezing.
- Contaminated fingers or objects.
- In summertime, conjunctivitis can be spread when children swim in contaminated water or share contaminated towels.

A person with conjunctivitis will remain infectious as long as there is a discharge from their eye.

Signs and symptoms

Conjunctivitis can be caused by an infection (virus or bacteria) or by an allergic reaction. It is not always clear which type of conjunctivitis is present, because both cause redness and swelling of the conjunctiva. Symptoms usually develop within 24 to 72 hours of becoming infected and last from two days to three weeks.

See a doctor if your child has:

- severe pain
- problems with their vision/eyesight
- increased swelling, redness and tenderness in the eyelids and around the eyes
- is generally unwell and has a fever (temperature over 38°C)

Chickenpox

- Chickenpox is a viral illness caused by the herpes zoster virus (also known as the Varicella-Zoster virus). In children it usually causes a relatively mild illness

Signs and symptoms

Chickenpox (varicella) begins with a sudden onset of slight fever, runny nose, feeling generally unwell and a skin rash. The rash usually begins as small lumps that turn into blisters and then scabs. The rash appears over three to four days and symptoms usually occur two weeks after exposure to the virus.

Persons who are previously vaccinated can still get chickenpox. If chickenpox occurs in a vaccinated person it is usually more mild and less contagious than in an unvaccinated person.

Treatment

Chickenpox infection usually resolves without treatment.

For further information please call your local Public Health Unit on 1300 066 055 or visit the New South Wales Health website www.health.nsw.gov.au

DONOR MOBILE VISITING SOON

The Australian Red Cross Mobile Blood Service is visiting **Revesby Pacific Hotel**,

Monday 3 July, 11.00 AM – 5.00pm (**7** more donors needed)

Tuesday 4 July, 11.00pm – 5.00pm (**16** more donors needed)

If you haven't already made an appointment to give blood, you can [make an appointment online](#) or call us on 13 14 95.

1 in 3 Australians will need blood, but only 1 in 30 donates. Donated blood helps cancer patients, people with blood disorders, mothers-to-be and newborn babies, as well as trauma and surgical patients.

We look forward to seeing you again soon.

Sincerely,
Australian Red Cross Blood Service

July 2017
