## The Partners in Learning parent feedback survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 22 August and 21 October. Participating in the survey is voluntary; however, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

This year we will be participating in the Woolworths Earn & Learn program. Through this program, we will be able to get new educational resources for our school – and all we need you to do is shop for your groceries at Woolworths and collect the Earn & Learn stickers.

**From Wednesday 26th July to Tuesday 19th September**, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Stickers onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Boxes here at the school (front office or hand to your child's class teacher). At the end of the promotion, we will be able to get some great new resources. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Visual Arts or Sport. If you would like to know more, or to download a sticker sheet to print at home, visit <http://www.woolworths.com.au/earnandlearn>.

Thanks for your support.

Nutrition Snippet

## The simplest way

...to increase your fruit and veg intake.

**Myth**  
Frozen and canned fruit and vegetables don't count towards your daily intake of fruit and vegetables.

**Fact**

- Frozen or canned fruit and vegetables are great alternatives when fresh varieties are out of season, unavailable or more expensive.
- Frozen and canned vegetables are usually packed shortly after picking, so there is little nutrient loss.
- Varieties with no added sugar or salt are the best choice (look for tinned fruit in natural juice rather than syrup and tinned vegetables with no added salt).

We are looking for volunteers for next Monday 28th August to deliver some pamphlets to the surrounding houses regarding Kindergarten information night for 2018. Any time during the day would be appreciated. Please see the office staff on Monday and they will direct you.

Your support will be greatly appreciated.

## PSSA Soccer

After being undefeated all season and progressing comfortably to the final after beating Padstow North 4-0 in the semi-final our senior boys were set to play Panania in the final. The first 5 minutes proved that it was going to be a very tough match. The boys showed off their incredible skill level and inspiring teamwork to fight back from 1-0 down to win 2-1. Jeremiah D and Dylan T used their silky smooth touch and lightning speed to open up Panania's defence right throughout the game and were both able to score super goals. Congratulations to all the boys on an amazing season. They should be incredibly proud of their performances and the way they represented our school each week

## P&C News

Don't forget Dad this Father's Day and support our school P&C by buying a gift from our stall!
