What a fantastic semester 1 and so much to look forward too!

Throughout June and July, we ran a chocolate drive. What a success! The P&C with all the students, parents and community's help we raised over \$6000.

It was a hard one to organise but well worth it. The P&C would like to thank the Office Team Kerrie, Meaghan and Brooke for all their support and assistance throughout the Chocolate Drive.

We would also like to thank the families that returned all the money on time and to those AMAZING children who sold more than 2 boxes! These students went in to a draw to win 2 scooters that were donated by **Pedal Patch** in Panania. Thank you **Pedal Patch**

Unfortunately, we still have some families that have not returned their box or money. If you have these still at home please return to the office ASAP.

On Monday the 6th of August the P&C helped the school celebrate Education Week!

What a fantastic morning it was!

The P&C rose over \$3000 from the cake stall and raffle!

The P&C would like to congratulate all the winners of the raffle and take this opportunity to thank the local businesses who kindly donated all the prizes

ALLIANCE	REVESBY GRIND
THE BUTHER'S PANTRY	STUMPY'S
VILLAGGIO	READING CINEMA
THE MILL	

Thank you again for your generous donations.

With some of the money we have raised so far this year the P&C are in the process of purchasing some exciting things for the school! All will be revealed soon!

We have some exciting events coming up including our Father's Day stall and famous Halloween Disco!

Thank you again to everyone who supports the P&C including, volunteers new and old, teachers, support staff and families.

We are looking forward to the rest of semester 2.

Dear Parents/Caregivers,

Panania North Public School are always looking for new and innovative ways to increase communication with our parents and wider community. Facebook is a great tool for engaging with the school community and we are excited to introduce the Panania North PS Facebook page. This social media platform will be used to publicise, promote and highlight positive school achievements in forum where they can be shared by the school, teachers and the community.

Our page will be used to display the learning experiences both in and out of the classroom. It will have links to the school website and any linked accounts. It is important to note that school related reminders will still be published on Skoolbag. In joining our community on Facebook, Panania North Public school follows both the department of education code of conduct and Facebook terms and conditions. Most of all, our Facebook page is a place where we build our community by building school spirit.

Please find a copy of the school Facebook policy on the next page, which discusses rules of engagement, comment policies and friending staff on Facebook.

Friending Staff on Facebook

Please note that the Department of Education and Communities has this advice for teachers 'Friending' parents on Facebook: *The line between your professional and personal life could become blurred making it difficult to manage your professional relationship with the parents when that becomes necessary.*

You also need to bear in mind that becoming a Facebook friend with a parent could result in their children getting access to your account as well.

You also need to be mindful that you need to be careful what you say on Facebook if you have parents as friends as comments made online can be misunderstood and could result in parental complaints made to your principal.

Please do not ask to friend a member of staff on Facebook as refusal often offends

The social media implementation procedures document states that parents and caregivers are to please visit www.esafety.com.au to help understand online privacy and to enable you to make decisions to help protect your child/children as you see fit.

For further information regarding the use of our official Facebook Page or any other of our social media channels please contact the school directly (02) 9773 8394.

Facebook encourages all users to utilise the "Report" links when they find abusive content.

The school often publishes information on behalf of Community groups – parents need to decide the appropriateness of activities involving their child. It is the responsibility of each parent to research the bona fides of any organisation, in which you wish your child to be involved in.
