Kindy student cuts her hair for a good cause!

Kindergarten student Lexi W made a big decision this week ... to cut off her beautiful, long locks.

She did this for a great cause and donated her hair to the Variety children's charity Hair With Heart Foundation.

We think this is an amazing thing to do and we are so proud of her. Her new haircut is just perfect! Well done Lexie!

Science at Sir Joseph Banks

On Monday morning 27th August, 12 budding scientists from Year 4 attended a Science workshop at Sir Joseph Banks High School.

It was a fabulous morning full of new knowledge, experiments and working with Year 7 students, including Jonathan Turner from our Year 6 2017.

First, we watched a funny safety video about working in Science laboratories, and then we did an experiment to simulate the spread of disease.

We were all given a beaker of a solution that we shared with some of our friends by using an eyedropper. One of our team supposedly had the 'disease carrier' in it so when that person shared his liquid we found out that 5 other students were 'infected'. The liquid turned bright pink to show evidence of the 'disease'.

Next we were given the task to get some 'clean salt for our chips' after someone had poured the salt into some sand. We added water to the salt /sand mixture and stirred it until the salt dissolved. Then we poured the solution through filter paper and used a Bunsen burner and tripod to boil the remaining solution until the water evaporated, leaving pure salt.

We all had a great time and thanked the staff and students at Sir Joseph Banks High School for hosting the morning.

Public Speaking Representatives

On Thursday 6 September Natasha C (Kindergarten), Daniel Z (Year 2), Isabella W (Year 4) and Jenna S (Year 6) represented Panania North in the Ultimo Directorate Public Speaking competition at Revesby Public School.

They competed against students from ten other schools across the district. Well done to these four students, they did a fantastic job and should be very proud.

Congratulations to Daniel Z for receiving highly commended (2nd place) in the Stage One Ultimo Directorate Competition. This is a fantastic achievement, well done.

Mrs Hall

PSSA Basketball

What a fantastic PSSA basketball season! With all 4 basketball teams making it through to the semi-finals. All teams trained hard and played well together all season with the junior boys making it through to the grand final!

The junior boys had a very tough game against Picnic Point, but they never gave up and played their best until the final buzzer, becoming runners up! I am very proud of everybody's efforts. We had a great time, made new friends and learnt many new skills. Congratulations to all the players.

Mrs Gibbs

PSSA Soccer

Another end to a wonderful PSSA season with the senior girls making it to the Football Semi-Finals.

Congratulations to the Senior Boys team who WON their PSSA Grand Final Friday the 24th of August, making them back-to-back winners!

A BIG thank you to the parents, family and friends who came to support each week!

Is your child starting school in 2019?

Please come join us for our information night regarding Kindergarten enrolment for 2019. The night provides you with the opportunity to find out all there is to know about your child starting school next year.

Transition to school

At Panania North Public School we understand that a child's first year at school is an important one and we work closely with families, local pre-schools and child care centres, to ensure a smooth transition to school.

We are offering a series of transition events and activities for children starting Kindergarten in 2019, with the hope that this will set them up for the very best start to a successful first year at school.

Kindergarten Orientation Days

Thursday 25 October, 2018: 9.15am - 10.45am

Thursday 1 November, 2018: 9.15am - 10.45am

Thursday 8 November, 2018: 9.15am - 10.45am

It's a great place to learn and grow!
