- 2019 Kindy Orientation Day 1

Wednesday 31 Oct

- Kindy @ Beechwood

BULLYING PREVENTION AT PANANIA NORTH

The importance of parent-teacher communication

Preventing bullying involves a commitment by our whole school community to create a safe environment where children can thrive, socially and academically, without being afraid.

We know that our students perform better when we have open communication with our parents/carers and when parents/carers are actively involved in their children's education.

We believe our close communications will lead to significant improvement in school environments and educational experiences.

At Panania North Public School, we pride ourselves on ensuring that parents and the community feel comfortable in bringing forward any areas of concern.

The first point of contact is always the class teacher. If a suitable solution cannot be achieved, concerns are then directed to the Assistant Principal of the stage. If concerns are further escalated, please contact the Principal.

Selective High School Applications for 2020

Selective high schools cater for the specific needs of high achieving gifted students who may otherwise be without sufficient classmates at their own academic and social level. Selective schools help gifted and talent students to learn by grouping them with other gifted and talented students, teaching them in specialized ways and providing educational materials at the appropriate level. Parents apply when the student is in Year 5. The students sit the test in March of Year 6.

To be considered for placement students must sit the Selective High School Placement Test. For information about applying and the placement process go to <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

HOMework WEEK 10

Tell Them From Me - Parent Survey

Reminder that as a part of your child's homework next week, we ask that you please complete the Tell Them From Me (TTFM) Parent Survey.

This survey helps to clarify and strengthen the important relationship between parents and our school. It allows parents to express their views and perception of their child's experience at home and school.

You can find the survey at this link: <https://nsw.tellthemfromme.com/pnps>

To receive a Panania North Star the slip must be returned by no later than Friday, 28 September 2018.

Premier's Spelling Bee

Panania North Public School had the privilege of hosting a regional for the Premier's Spelling Bee on Tuesday, 11 September 2018. Fourteen other schools join ours in two sections:- Junior (Stage 2 - Years 3 and 4) and Senior (Stage 3 - Years 5 and 6).

Each school is entitled to enter a maximum of two students per stage. Our entrants were Gabriella P and Tejasha K in the Junior section plus Sara M and Jenna S in the Senior section.

From the thirty students in each category, there is only one winner. The competition is tough! Despite our best efforts, unfortunately, none of our students were selected as an overall winner but they each should be proud of making it that far. I'm sure all those in attendance (parents included) would have learnt a new word or two.

Mr Wotherspoon

REGIONAL ATHLETICS

Congratulations to the 12 students who represented our School at the Sydney South West Regional Athletics Carnival this year. Everyone performed exceptionally well in their respective events!
