 - Yoga for ES1 & S1

Week 9

Tuesday 17 September

- ICAS English

Wednesday 18 September

- ICAS Maths
- #### Friday 20 September
- Yoga for ES1 & S1

SPORTS NEWS

It has been 10 years since a student from Panania North Public School made it into the Sydney South West Regional Cricket Team.

Two boys have broken this trend and will now go on to represent their region in Wollongong next term.

Congratulation Zach & Josh Agius you are making this school very proud and we wish you lots of runs and wickets.

Changes to the enrolment policy

As you may be aware, the Department has reviewed and revised their Enrolment of Students policy. The Enrolment of Students in NSW Government Schools policy is in place to assist schools meet their obligations under the Education Act 1990.

It outlines procedures to ensure that schools uphold the NSW Department of Education's core values of equity, accountability and integrity in the enrolment process.

A review was necessary to support the department's responsibility to ensure that resources are effectively and equitably used across our schools. More information can be found on our school website.

Enrolment at Panania North PS

The enrolment of students at Panania North Public School is consistent with the Department of Education (DoE) Policy, with particular attention paid to the following principles:

- Children are entitled to be enrolled at the government school that is designated for the intake area within which the child's home is situated and that the child is eligible to attend.
- Children living in the intake area will be enrolled in accordance with the policies of the DoE. The boundary of our intake area is clearly marked on the School Catchment Map from the DoE Demographer (attached).
- The decision on where to enrol a student and, with what level of support, will depend on a number of factors, including the student's educational needs, the express desires of parents, the capacity of the system to provide the level of support services required generally and at a particular location, and the availability of support services at alternative locations.
- In the context of the above principles and their application, which clearly constrain an individual's choice of provision, no person will be discriminated against in the enrolment on the grounds of their gender, age, race, religion, ethnicity, disability, sexual preference or marital status.

Enrolment Processes and Procedures - Local Enrolment

Students are enrolled at Panania North Public School in accordance with the guidelines of the NSW Department of Education. A student is entitled to enrol at Panania North Public School if the child's permanent and principal place of residence is situated within the designated intake area and the child is eligible to attend school.

Enrolment Cap

A current enrolment cap for Panania North Public has been established at 438 students (19 permanent teaching spaces with an average of 23.1 students per class). Once this number of enrolments has been reached, in general, children who do not live within the designated intake area will not be enrolled (including siblings).

Enrolment Buffer

Within the enrolment cap, a buffer will be determined to accommodate in-area students arriving throughout the year. The size of the buffer will be based on historical data, enrolment fluctuations and on the number of families moving in and out of the area. Places in the buffer will not be offered to out of area students except on compassionate grounds.

Out of area enrolments

An out-of-area enrolment is a student whose permanent and principal place of residence is beyond the designated intake area.

Criteria for selecting out-of-area enrolment applications may include one or more of the following factors. The factors listed are in priority order:

- a sufficient enrolment buffer exists for eligible in-area enrolments and the school is within its enrolment cap
- siblings of students currently enrolled in the school or preschool.
- compassionate grounds.

The Enrolment Panel reserves the right to consider, and accept, special case applications. The Enrolment Panel has the authority to give priority of criteria for successful special case applications.

Warm regards

Samantha Loveridge

Congratulations!

Congratulations to Louise Anthony (P&C President) who has been recognised for her outstanding commitment to the achievement of the corporate goals of the Department and to the promotion of public education in NSW at the Metropolitan South Operational Directorate Principal Awards 2019.

Combined Public Schools Music Festival

On Tuesday, 3 September Panania North's Choir participated in the Combined Public Schools Music Festival.

The festival provides children with the opportunity to perform in front of a large audience when they may otherwise miss out owing to the restrictions that are placed on students through audition processes.

The inclusive culture of the music festival is a credit to all of the schools that are involved. This year there were more than 500 students involved in the choir and over 700 students involved in the dance, tuned percussion, drumming and signing choir performances. A further 70 students combined to form the festival band. This demonstrated the commitment to the performing arts and the opportunities that the 17 schools who participated over the three nights of the festival provided for their students.

The Tell Them From Me Parent Survey (Term 3, 2019)

This Term, our school will be participating in the **Partners in Learning parent survey**, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement.

The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential.

The parent survey will be conducted between 26 August and 25 October and is available in 23 languages. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

To access the survey for our school go to:
<http://nsw.tellthemfromme.com/pnps4012>

Please return the slip below when you have completed the survey.

Each child who returns a slip will receive a **PANANIA NORTH STAR** certificate and will go in a raffle draw to win one of 4, **\$25 Gift Vouchers**.

Kind regards

Samantha Loveridge

Is your child starting school in 2020?

Please come join us for our information night regarding Kindergarten enrolment for 2020. The night provides you with the opportunity to find out all there is to know about your child starting school next year.

Transition to school

At Panania North Public School we understand that a child's first year at school is an important one and we work closely with families, local preschools and child care centres, to ensure a smooth transition to school.

We are offering a series of transition events and activities for children starting Kindergarten in 2020, with the hope that this will set them up for the very best start to a successful first year at school.

Kindergarten Orientation Days

- Thursday 24 October, 2019

projects**

UNIFORM SHOP

There will be a Uniform Shop meeting on Friday 27 September 2019 at 9am in the Uniform Shop.

10c for Technology

Throughout term 3 students are asked to collect 10c coins (or any coins and notes). All money raised will go towards new filming technology at Panania North Public. Each classroom will have a container for students to put any coins they have collected in.

**THE CLASS WITH THE MOST
MONEY COLLECTED AT THE END
OF TERM 3 WILL WIN A CANTEEN
VOUCHER EACH!**

The P&C 10c for Technology initiative will be doing its first count on Monday to see which classroom has collected the most coins.

There is speak of a pizza party for the winning class. So make sure you get all those 10c coins in on Monday for the count.

ADVERTISEMENTS

The school often publishes information on behalf of Community groups – parents need to decide the appropriateness of activities involving their child. It is the responsibility of each parent to research the bona fides of any organisation, in which you wish your child to be involved.

Preparing kids for BIG SCHOOL
Limited places remaining for 2020

- ✓ Ages 2-6 years
- ✓ Learning programs delivered by experienced early childhood educators
- ✓ Comprehensive school readiness & transition to school program
- ✓ Established links with local school
- ✓ A reputation that extends over 40 years
- ✓ Government child care subsidy (CCS) approved

Our program assists children in developing confidence, independence, social skills and learning abilities they will need to make the adjustment to school life. Our educators work with each child and family to ensure we deliver a tailored program that meets the child's individual learning and developmental needs.

Call now and book a tour or visit us online at www.pananiapreschool.com.au.
