Parents, extended family and friends support the school in so many ways all of which all contributes to making our school such a wonderful place to learn and work..

The P&C have had another very successful year raising a significant amount of money, which directly benefits all students. They have again organised and run several very successful events this year including the Spellathon, Obstacool and many a BBQ. Thank you to all the P&C members.

Huge amounts of items end up as lost property each term.
