Wednesday 10 April

- Easter Celebration
- K-6 Assembly (Wagtails performance)

Reminder Year 1 & 2 students have their excursion to Revesby this Monday & Tuesday. Children have been notified today and given another note if we have not received permission.

YOGA/MINDFULNESS PROGRAM

Stage 2 and Stage 3 students have been enjoying their weekly Yoga/Mindfulness sessions with Tayla. They have participated in practical and fun sessions including teamwork; managing big emotions; perseverance, self-belief; courageous and gratefulness. Teachers have provided feedback to me with how impressed they are with their students with their participation and receptiveness displayed. Teachers are also seeing these skills and language transferred back into the classroom and playground. Week 11 will be the last session. Honeyeaters, Green Herons, Fairy Wrens and Lyrebirds will participate next term on a Wednesday. Just a reminder that this is a compulsory program. If there are any issues please come and see Mrs Bruno or the front office.

Honeyeaters

The Honeyeaters have had a very busy start to the year and are excited to see what else is to come. We have been working hard already, but also making sure we have fun along the way.

As a class we have chosen to be independent learners and have flexible seating options in the classroom. This means that we are able to choose the best seats for our learning every day. This has been very exciting!

This term we have been focusing on persuasive writing and have been making improvements already! We are enjoying looking at the different ways we can write persuasive texts and how we can improve them by adding in high modality words!

We love learning different ways to work mathematically. We have been working hard during maths and are smashing goals daily. One of the things we have learnt this term is how to partition numbers up to 4 and 5 digits, and how to use partitioning to help us solve really hard addition and subtraction. It is great to see the Honeyeaters turn into little mathematicians every day!

Finally, for our History component we have looked deeply into the "Age of Explorers". We are excited to dig deeper and complete our research task on one of the local explorers from our community!

Harmony Day

Panania North students and community celebrated Harmony Day on Wednesday 20th March. Students discussed the importance of inclusiveness, respect and belonging of all Australians regardless of their background. We were very fortunate to “Creating Links” for organising a special visit from the Heartdancers group to entertain us as part of our special Harmony day assembly! Thank you to Charli our Indigenous guest; Lauren and Fernando our Spanish performers as well as Lucky and Philippe our African drummers. We also appreciate our wonderful student leaders for hosting this special assembly. Thank you parents for making a special effort with joining us in our celebrations! Please join our school Facebook page for more photos and clips.

Rosie our Friendly Therapy Dog

Rosie is back! Once a week I am very fortunate to bring Rosie to school to visit the students.

She signs in at the office just like her mum so she is an official member of staff. Rosie has enjoyed visiting the Stage 1 classes during writing sessions and has been very impressed with listening to some students read! She even joined the Hawks during RFF singing 'Hickory Dickory Dock!'"

Rosie brings calmness and happiness to students and even staff. Some students have commented that she can help you when you are feeling frustrated or sad. I always ensure that if any student is feeling uneasy or scared of Rosie that I am gentle and patient with teaching them. I never force a student to accept Rosie.

Stage 2 and Stage 3 are very eager to have Rosie visit them so I am hoping to organise this as part of her timetable next term. Please know she is well loved, hydrated and has breaks and quiet time throughout the day.

- Mrs Bruno

Early Bird Reading

**Kindy, Yr 1 and Yr 2 students
join us for our reading program
on Tuesday and Thursday
from 8:30 to 9:00am
In the Galah's classroom**
