Buy A Bale – Drought Fundraiser

Dear Parents/Carers

As you will be aware Australia is currently suffering their worst drought in decades, 100% of New South Wales is currently drought effect. The SRC at Panania North would like to ask our great school community to help fundraise to help support our struggling farmers.

We would like to buy bales of hay for those struggling farmers and we're hoping that you can support this fundraiser. During the next month SRC members will be coming to classrooms each morning and collecting donations. These donations can be as little or big as you may like, funds will be counted and displayed on an ongoing fundraising poster on the office window.

On the 26 September (Week 10 Assembly) we will reveal how many bales Panania North has purchased for the farmers. This will be a mufti day so come dressed as your favourite farmer or farm animal.

Mrs Fletcher & Mr Hampton
