

# Panania North Public School

## UNIFORM POLICY

*September 2016*

Panania North Public School's uniform was developed after consultation with parents/carers, student, teacher and community groups.

"The Department of Education and Training supports the wearing of school uniforms by students and the upholding of high standards of dress by students and staff. The Department recognises that NSW has a long history of school uniforms or dress codes being decided by the local school community. A school uniform consists of a limited range of clothing, including footwear and headwear. It identifies students as belonging to a particular school. Schools usually expect students to wear the uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours. When a school community agrees on a school uniform, the principal oversees the shared responsibility for ensuring that students are encouraged to wear school uniforms that meet agreed community standards and adhere to legislative requirements."

Parents/carers and students should be aware of the dress code when choosing to enrol at this school. When a student is enrolled at Panania North Public School, there is a strong expectation that parents/carers will support the student dress code and that the appropriate items of clothing are purchased.
